Gainesville, FL

- Honors: Cum Laude; Minor: Leadership

PROFESSIONAL EXPERIENCE

Uber Technologies

March 2023 – Present

Strategic Finance Associate

Palm Beach, FL

- Delivered an eight-figure cash benefit back to decision makers by partnering with cost center owners to analyze expenditures and identify ways to save money across Information Technology and Procurement
- Transferred to a new business segment to lead reporting efforts and implement cost saving strategies, starting with identifying key metrics to track across Observability, Reliability, and Stateful Platforms teams
- Coach early professionals through complex business challenges

Strategic Finance Development Program Analyst

July 2021 – March 2023

- Managed end-to-end ownership of Uber's quarterly earnings deliverables, including the Press Release, the Supplemental Slides, the 10-K, and the CFO's reference notes
- Developed a forecasting dashboard for Uber's Global Gift Card Program, spanning over 20 countries, providing trend analysis and demand projections to the Financial Products team
- Deliver "state-of-the-business" presentations to Finance, Operations, and Engineering leadership providing key insights and financial trends across geographies and lines of business

Amazon.com

May – August 2020

Financial Analyst Intern

Seattle, WA

- Performed financial analysis on over \$4B of CapEx spend, utilizing TM1, to establish a relevant source of truth for month-end close and define key performance metrics for the Transportation business
- Created a Standard Operating Procedure for 9 business teams to report CapEx variances and commentary for monthly financial reviews delivered to senior leadership
- Developed onboarding webpage for Amazon Transportation Services teams highlighting weekly benchmarks, key links, and useful tips for new-hires

United Technologies

May – August 2018

Finance Intern

Palm Beach Gardens, FL

- Conducted Sarbanes-Oxley internal controls testing, ensuring legal and ethical business operations through test procedure reviews, data quality analysis, simulations, and electronic support documentation
- Achieved a 100% submission rate on the 2017 BE-11 Government Survey by editing entity control lists and submitting responses into the Bureau of Economic Activity website

NextEra Energy

June – August 2016

Treasury Intern

Juno Beach, FL

- Aided the Cash Management team in securing commercial paper notes to finance payroll, accounts-payable, and project costs through monitoring Federal Reserve Board rates and reaching out to lending institutions
- Created a virtual filing system of bank statement data over a 24-month period on Microsoft Excel increasing the efficiency in which the Treasury team collects and identifies key information for quarterly reviews
